About the School Admissions and Appeals Team and this booklet

Hello!

We are the School Admissions and Appeals Team in Cumbria County Council's Children and Families Services. Our job is to manage all the applications for school places at maintained schools and academies for children living in Cumbria, ensuring that all parents/carers who apply are offered a school place. This booklet will tell you how to apply for a school place, give you information about how the admissions process works and explain more about admissions to community and voluntary controlled schools where the County Council is the admissions authority. You will find that throughout the booklet there are some sentences that tell you what you must do. If the law says you must do something, we have to make sure that you understand that. We have tried throughout this booklet to keep the information simple, clear and easy to understand.

We talk about **preference** rather than **choice** because you can say on the application form which school **you would like** your child to attend, **but this is not the same as choosing the school your child will go to**. It does, however, encourage you to say which schools you would prefer.

Throughout the booklet we refer to schools. This always includes academies unless otherwise stated. Every year we receive late applications and it is a shame that some children may miss out on their preferred school just because an application form is late. The law says that we must not allow for late applications unless there are exceptional reasons. So please do make sure your application is on time – why not start thinking about it and complete the online application form?

If you can't find out what you need or need help in understanding this booklet, or need support in applying for a school place then please contact us on **01228 221582** or by email at **school.admissions@cumbria.gov.uk**

How to apply for a school place

If you live in Cumbria and your child was born between 1 September 2013 and 31 August 2014, you must apply to Cumbria County Council (Local Authority) for a school place, under the Local Authority's Co-ordinated Admissions Scheme.

Please note: Attendance at a nursery which is attached to a school does not guarantee admission to that school.

Read through this booklet carefully before making an application. You can find details about each infant and primary school, including individual schools' admissions policies, and whether you also need to complete a supplementary form.

The online application form can be found on Cumbria County Council's website at:

www.cumbria.gov.uk/schooladmissions

The advantages of applying online are:

- You will receive an email confirmation to say your application has been received.
- You will be able to find out which school your child has been offered by **9.00am on 16 April 2018**, before the letters are sent out to those who apply on a paper form.

If you are unable to apply online, you can download a form (SA1) from our website at: www.cumbria.gov.uk/schooladmissions. If you do not have access to a computer you could ask your child's current school or your local library to help, or ring the number on page 4 and we will send a paper copy of the form to you. If you are completing a paper form, please write in **BLOCK CAPITAL LETTERS**.

However you decide to apply, you must state the address where your child lives. You must not use a business address, childminder's address or any address other than your child's home address.

We ask you to name three different preferences of school that you would be happy for your child to attend because we cannot guarantee that you will get your first preference.

On the application form you should give your first, second and third preferences. If you complete the form in such a way that the ranking of two or more schools is not clear, we will rank them for you.

To rank schools for you, we will use the Local Authority's GIS mapping system to measure the distance, using the shortest walking route by road between the pupil's home address and the nearest entrance on the school site available. The nearest school will be taken as the highest preference.

Some schools ask you to fill in a **supplementary form** with **additional information** they might need, for example a church school may ask you to prove that you are a regular worshipper. Copies of these supplementary forms are available from each school and should be available on the school's website. They are also available on Cumbria County Council's website at www.cumbria.gov.uk/schooladmissions. You must return supplementary forms direct to the schools you are applying to. Please remember that if you are completing a supplementary form, you must also apply online or complete and return the paper application form (SA1). If you complete a supplementary form, please return it directly to the school.

If we receive more than one application from you by the closing date and you have not withdrawn any earlier applications in writing, we will use the one with the latest date. If forms are not dated, or are dated on the same day, we will rank those schools where the order of preference is not clear using the measurement criteria explained on page 5.

If you are applying using a paper form, you **must sign and date it**. In signing your form you are agreeing that you have read this information booklet, and that the information you have provided is accurate and truthful and that you agree, if it is necessary, for the Local Authority to seek independent verification of your child's residence. If you are at all unsure about any of the above information, please do not hesitate to contact the School Admissions and Appeals Team.

Make sure that you submit your application online, or if you use the printed version, return it to your child's current school by the closing date of 15 January 2018.

On 16 April 2018 we will send you an email by 9.00am (if you applied online) or post a letter to the address you have given us (if you have used a paper form). The email or letter will tell you where your child has been allocated a place. We will also explain what you must do next. If you are not happy with the place you have been allocated the letter will explain how you can appeal against the allocation. If your child has a Statement of Special Educational Need or EHCP, you should apply in the usual way. For further information on Special Educational Needs please see page 148.

In summary:

- **Please read this booklet carefully before you make your application.**
- You can apply online, or complete a paper application, but please **do not do both**.
- Make sure your application is submitted by 15 January 2018. The online application service will be available from 11 September 2017 until the closing date of 15 January 2018 at 11.59pm.
- If one of your preferred schools has a supplementary form, complete and return the form to them by 15 January 2018.
- We will email you the outcome of your application on 16 April 2018 if you apply online, or post a letter to you on this date if you apply using a paper form.
- If you or someone you know needs general advice about admissions, please contact the School Admissions and Appeals Team (contact details on page 4).

Information about starting school

When must my child begin their full-time education?

Your child must receive full time education from the start of the term after their fifth birthday. This is often called being of statutory or compulsory school age.

When can my child start school?

In Cumbria, children normally start full time primary education before reaching statutory school age. They can enter a Reception class at an infant or primary school the September after their fourth birthday. Some children have just turned four when they can start school and others are nearly five, but every child can receive seven years of primary education.

Can I delay my child's entry to school?

Yes. If you apply and are offered a Reception place, and your child has not reached statutory school age, the place will be held open for up to two terms. The place must be taken up once your child reaches statutory school age and will not be held open after the start of the summer term. Alternatively you may want your child to attend part time until they reach statutory school age. If you wish your child to attend school part-time or delay entry until they reach compulsory school age, please contact the Headteacher of the school where you are allocated a school place to discuss this.

If you are considering delaying your child's entry, you should apply by the closing date. If you apply late and the school is oversubscribed you may miss out on a place.

Do I need to consider anything else?

Most schools plan a careful induction to help children settle in to Reception. All of the children may not start at the same time. Attendance may be part time to begin with. All of this helps children to adjust to their new school and to being at school full time.

A child starting other than in September may miss the induction period. They may be the only child joining a settled group of children who have already got to know each other. Settling in may be more difficult, although staff would do all they could to minimise any problems.

What should I do if I am worried about my child starting school at the normal entry time?

You can contact the School Admissions and Appeals Team and/or you can talk to the staff at your child's nursery. You should also talk to the Headteacher of the school you would eventually prefer your child to attend. Reception teachers are experienced in dealing with young children and it may be possible to alleviate your concerns. Alternatively, it may be possible to agree to a longer induction period to help your child settle in. If you are considering later entry, you should still apply for a place in the usual way. This keeps your options open. It may also be that, by the time the normal entry date arrives, your child's progress has been such that you feel they are ready for school.

Summer born children

Parents/carers of children born between 1 April and 31 August can delay their child's admission until the following academic year, when they would enter Reception rather than their normal age group (i.e. year 1).

You will still have to make an application in the next admissions round before the closing date, and it will be considered alongside all other Reception applications for that year. A place in Reception would not be guaranteed at the preferred school.

We would advise you to seek the views of the Head teacher of your preferred school(s) and any other professionals who may be involved with your child to discuss any concerns and reasons for delaying your child's entry to Reception. Professionals in schools will be able to give advice to help parents/carers with their decision.

If you do decide to delay your child's admission, and s/he is already attending a nursery, you are advised to check whether a place would be available for them to continue into the next academic year.

For further advice or information, please contact the Schools Admissions and Appeals Team.

Information about applying for a school place

What is the Coordinated Admissions Scheme?

The scheme explains how the Local Authority coordinates (manages) admissions with other neighbouring authorities and schools that are their own admission authority (foundation and voluntary aided schools, free schools and academies). The purpose of the scheme is to ensure that each pupil living within Cumbria receives only one offer of a school place, whether that is at a school within the county or one maintained by a neighbouring authority.

What are the different types of school?

The type of school you apply for affects the way decisions are made. For all types of school you must apply to the county council's School Admissions and Appeals Team for a place.

For **community and voluntary controlled schools** the county council is the admission authority – it decides the admissions policy and makes decisions about the allocation of places.

For **voluntary aided and foundation schools**, each school's governing body is responsible for the admissions policy and decisions about the allocation of places.

For **academies** and **free schools**, the academy trust is responsible for the admissions policy and decisions about the allocation of places.

The Local Authority is not responsible for allocation decisions made by voluntary aided, foundation or free schools or academies.

You can find out more about individual schools and what type they are in the schools information on pages 18 to 147 of this booklet.

How are places allocated?

The School Admissions and Appeals Team collate all applications for school places from parents and carers of children living in Cumbria. We then start a process of liaising with foundation and voluntary aided schools, academies and free schools, and with neighbouring local authorities where

necessary (for example if a family live close to the county boundary and want their child to attend a school in the neighbouring county). This process is called **coordination**.

Each admission authority (in the case of community and voluntary controlled schools this is the county council) then looks at all applications for their school, whether they have been named as a first, second or third preference. This is because all **preferences must be treated equally**.

This is known as the **equal preference scheme** and means that each of your preferences is treated as a separate application.

Each school has a **Published Admission Number (PAN)** which is the number of places that a school has available to offer. The allocation process is straightforward when a school is not oversubscribed – you are likely to get a place at your first preference school. Unfortunately, schools are sometimes oversubscribed and in this case admissions authorities need to work out who has highest priority for the places in a fair and consistent way. They do this by using the oversubscription criteria contained in their admissions policy to rank all the applicants in order of priority.

If it is possible to offer a place at more than one of your preference schools, we will offer a place at whichever of those schools that you ranked the highest that has a place available for your child.

If it is not possible to offer you a place at any of your preferred schools, you will be offered a place at the nearest school with a place available. We will decide which is the nearest by measuring the shortest walking route by road using the Local Authority GIS mapping system.

How likely am I to get my first preference?

In Cumbria you are very likely to get your first preference. Last year over 97% of parents were offered their first preference. You cannot however assume you will be offered your first preference of school. There are always schools that are very popular for many different reasons and those schools tend to have more applications than there are places

available. **This is why it is important to put the names of three different schools on your application form.** If we cannot offer you any of your preferred schools, we will offer an alternative school so naming 3 preferences means that you have a better chance of being offered a school you have selected yourself. The law says that we must only do this after all applications from parents who have included the school as one of their preferences have been considered. This means that if you name only one school and we cannot offer a place, you will not be considered for a school place at an alternative school until places have been identified for other parents.

It is unlikely that you will not get any of your three preferences but nevertheless this has happened for a very small number of families in recent years. There is no advantage in listing fewer than three schools or including the same school more than once. This does not increase your chances of admission to a particular school. In fact, you are wasting one or more of your preferences and are more likely to be offered a place at a school some distance away from your home.

Information about the number of applications received and the number of places allocated at infant and primary schools last year is available within each school's information on pages 18 to 147. Please be aware, however, that this does change from year to year, and just because a school has been undersubscribed one year does not mean that it will be the next year.

Is the admissions policy for each school important?

Yes. Deciding which school to give as your first preference is not just about which school you would prefer your child to attend. You also need to consider your chances of being offered a place at that school. This is very important if you are considering naming popular schools as your preferences and these are not your catchment school.

You should check the admissions policy for the schools you are considering to see what level of priority you would have. If a school has been consistently oversubscribed in the past and you would have a low priority under the oversubscription criteria, you should think seriously about whether you want

to apply for this school. Think carefully about naming popular schools for all three preferences, particularly if you have a low priority under the admissions policy. Other applicants that rank more highly using the school's admissions policy may be allocated all the available places.

How could this affect me?

If you don't get a place at any of your preferred schools and these do not include your catchment school, you may then be disadvantaged in getting a place at your catchment school. All the places may already have been allocated to children whose parents have named the school as a preference.

What are catchment areas?

The Local Authority's Admissions Policy for community and voluntary controlled schools and the admissions policies for many voluntary aided and foundation schools and academies make reference to catchment areas. A catchment area is a defined geographical area, which gives priority for admission to families who live within its boundary. Catchment areas defined by the Local Authority are also used in deciding on school transport entitlement. In some limited cases, foundation and voluntary aided schools and academies have a different catchment area defined for admission purposes from that which the Local Authority has defined for transport purposes. If you have any queries regarding this, please contact the School Admissions and Appeals Team. Where an area does not form part of a catchment area the "catchment" school will be the nearest school, measuring the shortest walking route by road using the Local Authority GIS mapping system.

How do I find out which is my catchment school?

You can check with the School Admissions and Appeals Team by telephone or email. You can also ask for a map of the catchment area (for academies, voluntary aided, foundation and free schools, you will need to contact the school directly), children from your area may be attending a school which is not the catchment school. **You should not make assumptions** so it is advisable to check with the School Admissions and Appeals Team.

Do I need to send anything with my application?

You should check with the schools you are intending to state as a preference, to see whether any supporting evidence should be sent with your application or a supplementary form completed. For example, it may be that the policy gives priority to families of a particular faith and asks for evidence of this. **If you do not send the evidence this may affect the priority your child is given in the process.** Make sure that any supporting evidence or supplementary forms are submitted by the closing date of 15 January 2018.

What do I need to do if my child was previously looked after by a Local Authority?

If you are applying for a foundation or voluntary aided school, or an academy or free school and you want your application to be considered on the basis that they were previously looked after, please contact the school to find out what evidence you will need to provide. Information about what to do if you are applying for a community or voluntary controlled school can be found on page 13.

Is school transport something I should consider?

Yes. The transport policy is explained on page 149 under 'Home to school transport – 2018/2019'. If home to school transport is a factor in deciding on your preferred schools, you should give this very careful consideration.

What happens to applications received after the closing date?

It is vital to get your application in on time. There is less chance of getting a place at your preferred school if your application is late.

At the initial offer stage of the admissions process, we do not consider applications which are either submitted or changed after the closing date of 15 January 2018 until we have dealt with all applications received on time, unless there are exceptional reasons that prevented you from submitting the form on time and you provide independent proof to confirm your circumstances. We will deal with these applications differently depending on the date we receive them.

If you submit an application after 15 January 2018 but before 16 February 2018 and you feel there are exceptional reasons for this, you must explain them when you submit it.

In each case we will write to you and ask for more details, for example to request some independent evidence. If you cannot provide the information required, or it is not received until after 16 February 2018, we will not be able to take into account your circumstances during the initial allocation process. However, we will be able to use it at a later stage, such as reallocation day. More information about reallocation day can be found on page 11.

If you have plans which mean you may not need a school place, you should apply anyway and withdraw your application when your plans are confirmed.

Even if there are exceptional reasons for a late application or a change of preference, it will not be possible to consider any applications received after 16 February 2018 until after places have been allocated. If your application is late (i.e. received after 15 January 2018) and is not considered as exceptional (as above), your application will not be dealt with until after the initial allocation of places. Your application will be dealt with on reallocation day (11 May 2018) and we will not inform you of the outcome of your application until after this date.

If your application is late and any of the schools you express a preference for are oversubscribed from the applications that we received on time, it is highly unlikely that you will be offered a place at those schools. This will be the case even if you live in the catchment area and/or have older children already attending the school.

What happens if I move house?

If you are planning to move house, you must still make an application by the closing date of 15 January 2018, even though you may need to ask to change your preferences later because of your change of address.

If you move house after applying you must notify us. It is your responsibility to make sure you do this – if you do not it could affect the offer of a place at one of your preferred schools.

If we offer you a place at an oversubscribed school on the basis of an address you moved away from before places were allocated, we may withdraw it. If you move house after a place was allocated but before the start of the autumn term and we have reason to believe that your intended move was planned before places were allocated, we may withdraw the offer of a place.

How do I apply from outside Cumbria?

If you live outside Cumbria, you must make your application for a school place on the application form for the Local Authority where you live. You should contact the Local Authority for your area and ask for their information pack and application form.

How do I apply to another Local Authority?

One or more of the schools you apply for could be in the area of a neighbouring Local Authority. If your home address is in Cumbria, you should name your preferred schools on form your application in exactly the same way as a Cumbrian school. School Admissions will then work with the relevant Local Authority regarding your application. If you live near the Cumbrian border you may want to contact a neighbouring Local Authority for information about its schools. Details of neighbouring Authorities are provided on page 153.

If you give a school in the area of a neighbouring Local Authority as your first preference and it can be offered, you would not be offered a Cumbrian school. If it cannot be offered, you would be considered for your alternative preferences.

What happens if both parents/carers cannot agree about where they would like their child to go to school?

Sometimes, separated parents or carers submit separate application forms for their children naming different preference schools. We are unable to process both applications, because the law says that only one offer per child can be made. It would not be appropriate for the School Admissions and Appeals Team to become involved

in these situations. If we receive applications in these circumstances we will write to both applicants to explain the situation.

It is best if parents/carers can resolve issues between themselves and inform us, in writing, which application should be used. However, we do know that sometimes agreement cannot be reached and the School Admissions and Appeals Team then need to make a decision as to which form to use. When this happens we will try to establish the child's permanent address, using the address of the parent/ carer who claims child benefit and process that parent/ carer's application.

As with all applications, the School Admissions and Appeals Team will only discuss the content or progress of any application with the applicant themselves.

What can I do if I am not happy with the school that I am offered?

Usually your child will be offered a place at one of your preferred schools. Last year over 99% of applicants for an infant or primary school place in Cumbria were offered one of their three preferences. If you are not offered a place in your preferred school or if you are unhappy with the school place allocated for whatever reason, you have the right of appeal to an independent admission appeal panel. Information about admission appeals can be found on page 150.

What happens if my child doesn't get a place and then one becomes available?

If you have not been offered a place at one of your preferred schools on 16 April 2018, because the school was oversubscribed, your child will be considered for any places which become available. The Local Authority will reallocate any available places on 11 May 2018. This is known as **reallocation day**. All outstanding applications will be considered, including any late ones, using the school's oversubscription criteria to prioritise.

Can my child's name go on a waiting list?

After reallocation day, it is up to the admission authority for the school or academy to maintain their waiting list.

For oversubscribed schools, the admission authority must maintain a waiting list for at least one term in the academic year of admission. More information about waiting lists for community and voluntary controlled schools can be found on page 14.

How do I apply for a school place at another time? (i.e. in year)

From the first day of the school term all applications received will be treated as in-year admissions.

You can contact your preferred school directly, and in most cases it will be able to deal with your request. If you are offered a place, you can arrange an admission date with the school. If your request is refused, this should be done in writing with the reason for refusal, and you will be informed of your right of appeal against this decision.

If you prefer, you can also contact the School Admissions team to make an application and for more information about admission to school.

Some schools may also refer you to the team to handle your application (i.e. community and voluntary controlled schools, where the LA is the admissions authority).

What is the infant class size limit?

There is a statutory limit on class sizes for children who are in Reception and Years 1 and 2. This is called the infant class size limit. Except in certain very limited circumstances, no infant class with one teacher may contain more than 30 pupils. In some schools, this means that the admission of one more child would mean that the school could not comply with the infant class size limit without, for example, providing an extra teacher. This is called taking 'relevant measures'.

Admissions over and above 30 per class can therefore be refused because taking relevant measures would cause prejudice to the provision of efficient education or the efficient use of resources.

How could this affect me?

If you are refused admission to your preferred school on infant class size grounds this will be explained to you along with your right of appeal. However, where the decision to refuse is on this basis, an appeal panel's powers to intervene are limited. The panel can only allow your appeal in very specific circumstances and you should give very careful consideration as to whether or not you should appeal. Please see page 150 for more information

Information about admission to community and voluntary controlled schools

How do I find out if my preferred school is a community or voluntary controlled school?

You can find out if a school is community or voluntary controlled in the individual schools information on pages 18 to 147.

How are places allocated at community and voluntary controlled schools?

If a community or voluntary controlled school is oversubscribed, places will be allocated using the oversubscription criteria contained in the Local Authority's Admissions Policy, detailed on pages 16 and 17.

Are children attending a school's nursery given a higher priority for admission?

No, attendance at a school's nursery is not a factor in allocating places at community and voluntary controlled schools.

What do I need to do if my child was previously looked after by the Local Authority?

If your child was previously looked after, and you wish to be considered under category 1 of the Local Authority Admissions Policy on pages 16 and 17, you will need to provide some evidence with your application. If your child was adopted, this will be a copy of the Adoption Order. If your child became subject to a Residence/Child Arrangements Order or Special Guardianship Order, you will need to provide copies of these. If you are unsure of what you need to do, or whether your child can be considered under this category, please contact the School Admissions and Appeals Team.

Will younger brothers and sisters be able to go to the same school?

Siblings of children attending their catchment area school have a higher priority for admission when places are allocated at oversubscribed community and voluntary controlled schools. If you choose a school other than your catchment area school, places may not be available for your younger children as catchment children will have higher priority.

Which address will be used in determining my child's priority for admission?

If a school is oversubscribed, the address where the child normally lives will be used in the allocation process. It is not possible to use an alternative address such as the address of your child's grandparents or child minder. In some cases, for example where shared parental living arrangements are in place, a child's address may be difficult to decide. In these circumstances, the address used for child benefit purposes, (i.e. the address for the parent claiming the child benefit) will be used. Residency at a particular address is a key factor in allocating places at oversubscribed schools. If we offer a school place and then discover that the offer was made on the basis of fraudulent or misleading information (for example, a false claim to be living at an address), we may withdraw the place.

What happens if I am moving house?

If you are about to move house or think you may do so in the near future, **you must contact us and tell us the address that you will be moving to**. For your application to be considered on the basis of your new address you will need to be able to provide evidence of your move as soon possible – stating an intention to move to an area will not be enough.

Examples of evidence we will request are signed tenancy agreements, evidence of exchange of contracts relating to a purchase and HM Land Registry certificates. Whatever evidence you provide, we will need to be satisfied that you will be resident at this new address at the time your child would be admitted to the school for which you are applying. We may have to ask you for further evidence such as utility bills. If you cannot provide the evidence required, or we do not feel that your evidence is sufficient, or it is not received until after 16 February 2018 then we will not be able to consider you for a school place based on your new address during the initial allocation process. However, we may be able to use it at a later stage (for example, on reallocation day).

A temporary move (for example, to stay with family) would not normally be considered, as the Local Authority would have to be satisfied that there is a long-term intention to remain at a particular address.

You should always keep the School Admissions and Appeals Team informed of the progress with your move.

This is your responsibility; it could affect the offer of a place at one of your preferred schools.

What happens if I provide false information?

Unfortunately, a small number of parents each year try to secure a place for their child by either providing false information or withholding relevant information on residency. Every place secured on the basis of false information potentially deprives another child of their rightful place, and the Local Authority takes allegations of falsified addresses very seriously.

All allegations will be investigated. Offers made on the basis of false or misleading information will be withdrawn, as they have been in previous years.

The Local Authority will, as necessary, seek independent verification of your child's address, or of any other information provided on the application form. Local Authority officers may visit the address given as the child's residence in order to verify that he/she lives at that address.

This process may happen before or after places have been allocated.

Can my child's name go on a waiting list if they are not offered a place?

If your child does not get a place in the main allocation or reallocation process detailed on page 10, they will continue to be considered for any places which may become available until the end of the Autumn term 2018. If you still want your child to be considered for any vacancies in community or voluntary controlled schools from the start of the spring term onwards (i.e. from 4 January 2019), you should contact the School Admissions and Appeals Team to put your child's name on a waiting list.

From 4 January 2019, only children on the waiting list will be considered. Vacancies will always be allocated by applying the Admissions Policy. Length of time on the waiting list will not be a factor.

Infant and primary schools in Cumbria

The government has enacted legislation to provide for maintained schools to become academies. This may mean that by 1 September 2018 some of the maintained schools detailed in this book will become academies.

Finding your way around this section

This section contains information about infant and primary schools in Cumbria.

Admissions Policies

- The Local Authority Admissions Policy, used to allocate places at oversubscribed community and voluntary controlled schools, is shown on pages 16 and 17.
- Some information about the admissions policy for each academy, voluntary aided, foundation and free school (including their oversubscription criteria) is provided under the entry for the school. If you want to read the full policy you can look on the school's website, contact the school for a copy or look on the county council website at cumbria.gov.uk/schooladmissions. Where relevant, if you are applying to a school on the basis of faith and wish your application to be considered under these criteria, you should complete the school's supplementary form which is available on the county council website or direct from the school.

School information

- Important contact details for schools, including address, telephone number, email and web addresses and the name of the Head Teacher;
- The type of school, whether this be community, voluntary controlled, foundation, voluntary aided, a academy or free school;
- The age range of children attending the school;
- The Department for Education reference number;
- The Published Admission Number;
- The number of first, second and third preferences that were expressed for places in the September 2017 Reception Intake. These only apply to applications which were received by the closing date and do not include late applications or late changes of preference.

- The number of places offered on National Offer Day (18 April 2017). Again, these do not include any late applications or changes of preference considered on reallocation day, or any applicants admitted as a result of successful appeals or offered places once the coordinated process had ended, such as in-year applicants.

Please remember that the information provided about the number of applications and offers made should be treated with caution because the position can change from one year to the next. A school which is undersubscribed one year may be oversubscribed the next. Also, a school may have exceeded its Published Admission Number in September 2017 in order to meet demand, but may not be able to do so in September 2018.

- The number of children on roll at the school in January 2017 (at the date of the last School's Census).

You can find out if your preferred school has a supplementary form under each school's entry.

There are other ways to find out more about schools. You could:

- Visit the school – attend any open evenings
- Ask for the prospectus
- Look at the school's website
- Read the latest Ofsted report www.ofsted.gov.uk
- Look at the performance data gov.uk/school-performance-tables

General Admissions Policy 2018/2019

Community and Voluntary Controlled Schools

Where there are more applications than places available at a community or voluntary controlled school for entry to all year groups **except Year 12**, applications will be prioritised using the criteria below. They will be applied in conjunction with explanatory notes 1 - 6 which form part of the policy.

1. Children looked after and who were previously looked after, i.e. in public care, giving priority, if necessary, to the youngest child(ren) - see note 1 overleaf.
2. Children living in the catchment area who have brothers or sisters in the school (or associated infant or junior school) at the time of admission. See notes 2 and 3 overleaf.
3. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school (or associated infant or junior school) who were allocated a place at that school by the LA either (a) in the absence of a place being available in the catchment area school due to oversubscription and the school was identified by the LA as the next nearest with a place available or (b) the school is named in the sibling's Statement of Special Educational Need/ Education, Health and Care Plan (EHCP) - see notes 2, 3 and 4 overleaf.
4. In relation to Church of England Voluntary Controlled Schools, children living within the catchment area who with a parent regularly attend a church in membership of Churches Together in Britain or the Evangelical Alliance. See notes 5 and 6.
5. Other children living in the catchment area giving priority to those living closest to the school, measured by a straight-line measure between the centre of the pupil's home address and a common point on the school site as determined by the LA - see notes 6 and 7 overleaf.
6. Children living outside the catchment area who have brothers or sisters in the school (or associated infant or junior school) at the time of their admission - see notes 2 and 3 overleaf.
7. In relation to Church of England Voluntary Controlled Schools, children living outside the catchment area who with a parent regularly attend a church in membership of Churches Together in Britain or the Evangelical Alliance. See notes 5 and 6.
8. Children living outside the catchment area, giving priority to those who live closest to the school, measured by a straight-line measure between the centre of the pupil's home address and a common point on the school site as determined by the LA - see notes 6 and 7 overleaf.

Applications will be prioritised on the above basis. An exception will be made under the Authority's policy for the education of children with special needs (i) where a child holds 1. a Statement of Special Educational Need or 2. an Education, Health and Care Plan, or (ii) is currently undergoing a co-ordinated assessment, and in either case it is considered that attendance at a particular school is necessary to meet the identified needs of that child.

Explanatory notes

These notes are part of the policy.

Note 1

A child looked after is a child in public care, who is looked after by a local authority within the meaning of Section 22 of the Children Act 1989. Children previously looked after are children who were looked after, but have ceased to be so because they were adopted (under the terms of the Adoption and Children Act 2002) or became subject to a Child Arrangements Order or Special Guardianship Order (Children Act 1989). The provision to give the highest priority to looked after and previously looked after children applies to all children who have been adopted from local authority care.

Note 2

In criteria 2, 3 and 6, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and includes step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school (excluding a nursery class) at the time of admission.

Note 3

Where reference is made to 'associated' infant and junior schools this is to describe those situations where infant and junior schools share the same catchment area.

Note 4

If parent or carers believe they qualify for consideration under criterion 3, they should indicate this on their preference form in the place provided for this purpose.

Note 5

To be considered under criteria 4 or 7 parents or carers must provide proof with the completed form that they regularly attend a church in membership of Churches Together in Britain or the Evangelical Alliance. 'Regular' is defined as at least twice a month. Attendance may be at more than one church but should be for at least two years prior to the application date.

In criteria 4 or 7 applications will be prioritised using the distance measurement methodology set out at Note 6 below, with those living closest to the school measured by the shortest straight line distance given priority.

Note 6

Distance measurements will be undertaken using the Local Authority's computerised Geographical Information System [GIS]. This measures a straight-line measure between the centre of the pupil's home address and a common point on the school site as determined by the LA.

Note 7

Random allocation will be used as a tie-break in categories 5 and 8 to decide who has the highest priority for admission if the distance between the children's home address and the school is the same. This process will be independently verified.

September 2018 Admissions Policy

In the event that there are more applicants than places the Governors will allocate places using the following criteria. These are listed in order of priority.

1. Children who are looked after. This also applies to those who have previously been looked after. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.
Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
2. Children who have physical and/or medical needs who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
3. Children living within the catchment area having brothers and sisters attending our School at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step and foster children.
4. Children living within the catchment area who with a parent attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.
5. Children living within the catchment area.
6. Children who have attended as nursery aged children in the Early Years Unit.
7. Children living outside the catchment area having brothers and sisters attending our School at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step and foster children.
8. Children living outside the catchment area who with a parent attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.
9. Children living outside the catchment area.

The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Special Educational Needs or an Educational Health Care Plan naming Ambleside CE Aided Primary School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

September 2018 Admissions Policy

2. Children living in the catchment area who have brother or sisters in the school at the time of the admission, giving priority to those with the youngest siblings.
3. Other children living in the catchment area, giving priority to those living nearest the school, measured in a straight line on a map.

5. Children eligible for Pupil Premium.
6. Children living outside the catchment area, giving priority to those who live closest to school, measured in a straight line on a map.

Applications will be prioritised according to the above criteria. If a child has an Education, Health and Care Plan or Statement of Special Educational Needs naming Beaconside CE Aided Primary School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break

Where there are more applicants than places available in any category after **all** the aforementioned criteria have been considered, then distance will act as the final determining factor. The distance is measured from the child's home front door to the main entrance door of the school. The distance is determined using the LA school's admission department system, the closest addresses having priority.

September 2018 Admissions Policy

All children will be admitted unless there are more applicants than places in which case the Local Governing Body will make allocations using the following criteria. The criteria outlined below will be strictly followed there being one exception. If a child has a statement of Special Educational Needs and/or Education, Health and Care Plan naming Braithwaite CE (VA) School then irrespective of the criteria the child will be admitted as in these circumstances the Local Governing Body has a statutory duty to admit the child concerned. These criteria are listed in order of priority and will be applied in conjunction with the notes below.

1. Looked after and previously looked after children, giving priority, if necessary, to the youngest child(ren). (see note 1 below)
2. Children living in the catchment area who have brothers or sisters in the school at the time of their admission. (see note 2 below)
3. Children from within the catchment area who, with a parent, attends on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or The Evangelical Alliance (see note 3 below)
4. Other children living in the catchment area, giving priority to those living closest to the school, measured by the shortest walking route by road from the child's front door to the front entrance of the school (calculated via Google maps).
5. Children living outside the catchment area who have brothers or sisters in the school at the time of their admission. (see note 2 below)
6. Children from outside the catchment area who, with a parent, attends on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or The Evangelical Alliance (see note 3 below)
7. Children living outside the catchment area, giving priority to those who live closest to the school, measured by the shortest walking route by road from the child's front door to the front entrance of the school (calculated via Google maps).

Note 1

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this policy means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Note 2

If it is necessary to prioritise in categories 2 or 5, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and includes step and foster children.

Note 3

If it is necessary to prioritise in categories 3 or 6 the measurement criteria in categories 4 and 7 respectively will be used. To be considered under category 3 or 6 parents must provide proof with their application that they attend a church and have been doing so for at least a year prior to the closing date for application forms (not admission date). Attendance may be at more than one church. This would usually be expected to be shown by submission of the 'supplementary information' form, signed by the vicar (or leader) of the church to show their support of the application.

September 2018 Admissions Policy

Where there are more applications than places available at the School for entry to all year groups **except Year 12**, applications will be prioritised using the criteria below. They will be applied in conjunction with the explanatory notes which form part of the policy.

1. A Looked After Child i.e. a child in public care, giving priority, if necessary, to the youngest child(ren) and children who were previously looked after – **see note 1**.
2. Children of staff – **see note 2**.
3. Children who have siblings at the School when the Admissions forms are submitted – **see note 3**.
If there are more children with siblings at School when the admission forms are submitted than places, the places will be allocated on the basis of a straight-line measure between the centre of the pupil's home address and the main gate of the School (the gate on Rating Lane) – **see note 4**.
4. Children living closest to the main gate of the School, measured by a straight-line measure from the centre of the pupil's home address – **see note 4**.

Where places are available for some but not all children from multiple births (including twins), the School will exercise discretion offered by the Admissions Code to offer all the children places.

Applications will be prioritised on the above basis. An exception will be made to this Policy where (i) a child holds a Statement of Educational Needs and/or Education, Health and Care Plan naming Chetwynde, or (ii) is currently undergoing a Statutory Assessment, and in either case it is considered that attendance at the School is necessary to meet the identified needs of that child.

Note 1

“A Looked After Child”. A looked after child is a child who:- (a) is in the care of the Local Authority, or (b) is being provided with accommodation by the Local Authority in the exercise of their Social Services function, or (c) the definition as set out in Section 22(1) of the Children Act 1989 and previously looked after children and children who are looked after, but cease to be so because they are adopted or became subject to a Child Arrangements Order or Special Guardianship Order, at the time of making an application to the School.

Note 2

Children of staff are where a member of staff has been employed for at least 2 years at the time when the application is made, OR where a member of staff has been recruited to fill a vacant post for which there is a clear skills shortage.

Note 3

Children are siblings if they are step-siblings, adopted or foster brothers or sisters living in the same family unit at the time when the child's application form is submitted.

Note 4

Distance measurements will be undertaken using the Local Authority's computerised Geographical Information System (GIS). This measures a straight-line measure between the centre of the pupil's home address and the main gate of the School (the gate on Rating Lane). In the event of a tie break within a block of flats, those living closest from the communal entrance will be given priority.

A child's home address is defined as the address at which the child is normally resident. Where a child lives at more than one address, the address will be where the child lives for the majority of the time. Where the child lives at more than one address and spends equal times at both, the home address will be counted as that in which the child is registered with their GP.

September 2016 Admissions Policy

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

1. Children who are in Public Care. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989. This includes previously Looked After Children and extends to children who have been adopted or who have become subject to a child arrangements or special Guardianship order. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.
Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
2. Children living within the catchment area (i.e. within the Parish boundary of St Mary with Holy Trinity Parish Church) having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
3. Children living within the catchment area who with a parent attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.
4. Children living within the catchment area (historically identified as the Parish Boundary of Ulverston Parish Church), identified on a separate map.
5. Children living outside the catchment area having brothers and sisters attending our School at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.

6. Children living outside the catchment area who with a parent attend on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.
7. Children living outside the catchment area.

The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Special Educational Needs or an Education Health And Care Plan naming Church Walk Church of England Voluntary Aided Primary School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break

Age is only used as a tiebreaker in the sibling categories. In all other categories, where there are more applicants than places available, distance will act as a determining factor. The distance is measured from the child's home front door to the main entrance door of the school. The distance is determined by the shortest walking route by road. The Governors will use the Local Authority measuring system to ensure consistency of measurement. The closest addresses will have priority.

1. Children who are in Public Care, have been in Public Care, have been adopted or have become subject to a child arrangements or special guardianship order. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989.
2. Children who have physical and/or medical needs who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
3. Children living within the catchment area having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
4. Children living within the catchment area who with a parent attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date (15 January 2018).
5. Children living within the catchment area.
6. Children living outside the catchment area having brothers and sisters attending our School at the time of their admission giving priority, if necessary, to those children with the youngest siblings. 7. Children living outside the catchment area who with a parent attend on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date (15 January 2018).
8. Children living outside the catchment area.

The criteria outlined above will be strictly followed there being one exception. If a child has a Statement of Special Educational Needs or an Education, Health and Care Plan naming Crosby Ravensworth C of E (Aided) School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break

In some categories, where there are more applicants than places available, age will act as a determining factor but unless specified it will be distance. The distance is measured from the child's home to the main entrance door of the school, using the same method for each applicant. The distance is determined by the shortest walking route by road. To ensure consistency of measurement, the Governors will use the system utilised by the Local Authority's School Admissions team. The closest addresses will have priority.

September 2018 Admissions Policy

If at any time there are more applicants than places available, children will be admitted in the following order of priority, which will be applied in conjunction with the notes below.

1. Children who are in Public Care or who have been in public care and are now adopted. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989. (see note 1 below)
2. Children living in the catchment area who have brothers or sisters in the school at the time of their admission. (see note 2 below)
3. Children living within the catchment area who with a parent attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date. (see note 3 below)
4. Other children living in the catchment area giving priority to those living closest to the school. The distance is measured from the child's home front door to the main entrance door of the school. The Governors will use the Local Authority measuring system (GIS) to ensure consistency of measurement. The closest addresses will have priority.
5. Children living outside the catchment area who have brothers or sisters in the school at the time of their admission. (see note 2 below)
6. Children who attend our pre-school/nursery. (see note 3 below)
7. Children living outside the catchment area who with a parent attend on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date. (see note 3 below)
8. Children living outside the catchment area, giving priority to those who live closest to the school. The Governors will use the Local Authority measuring system (GIS) to ensure consistency of measurement. The closest addresses will have priority.

Note 1

Highest priority will be given to looked after children and previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

Note 2

If it is necessary to prioritise in categories 2 or 5, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and include step and foster children.

Note 3

If it is necessary to prioritise in categories 3 or 6, the measurement criteria in categories 4 and 8 will be used.

Applications will be prioritised using the above criteria. An exception will be made if a child has a statement of special educational needs and/or an Education, Health and Care Plan naming Crosby on Eden C E Primary School, as in these circumstances the Governing Body would have a statutory duty to admit the child concerned.

* A catchment area map is available in school. On past experience all pupils living within the catchment area have been successful in gaining a place at the school.

Tie Break

In some categories, where there are more applicants than places available, the determining factor will be distance. The distance is measured from the child's home front door to the main entrance door of the school. The distance is determined with a straight line measure.

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

1. Children who are in Public Care. A child in public care is defined as a child who is looked after, or previously looked after, by the Local Authority within the meaning of section 22 of the Children's Act 1989. Highest priority will therefore be given to looked after children and previously looked after children, which extends to children who have been adopted or have become subject to child arrangements or special guardianship order. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.
2. Children who have physical and/or medical needs who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
3. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children include children that were adopted under the Adoption Act 1976, and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Special Educational Needs or Education, Health and Care Plans naming Crosthwaite Church of England Aided Primary School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

5. Other children living in the catchment area giving priority to those living closest to the school.
6. Children living outside the catchment area who have brothers and sisters in the school at the time of their admission. (See note 2 below).
7. Children from outside the catchment area with a parent who attends a C of E Church. (See note 4 below).
8. All other children living outside the catchment area, giving priority to those who live closest to the school.

Tie Break

If there are more applications than places available within any of the above priority groups, places will be allocated giving priority to those who live closest to the school (nearest entrance to the school), measured in a straight line on the map.

Note 1

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

A "looked after child" is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangement orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangement order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Note 2

If it is necessary to prioritise in categories 3 or 6, priority will be given to those children with the youngest siblings, including adopted siblings. Brothers and sisters are those living at the same address and includes step and foster children. Where two

people, both of whom live at separate addresses, hold parental responsibility, the address used in the allocation of child benefit will be the admission address.

In circumstances where there is an application for more than one child in the family, and it is not possible to offer a place to all the children concerned, it will be up to the parents/carers to decide whether they wish to accept the place(s) offered.

Note 3

If it is necessary to prioritise in categories 3 or 6 the measurement criteria in categories 4 and 7 respectively will be used.

Note 4

To be considered under category 3 or 6 parents must provide written proof from their priest/vicar (or other appropriate person) with their application that they regularly* attend a C of E Church and have done so for at least two years before the closing date for preference forms. It may relate to more than one church.

- Regular attendance is deemed to be someone who usually attends a monthly church service or is regularly involved in a weekday church activity including an element of worship.

September 2018 Admissions Policy

In the event of there being more applicants than available places the governors (or an admissions committee established by the governing body) shall, if necessary use the following criteria for selection, listed in order of priority:

1. All children whose statement of Special Educational Needs names Fairfield Primary School.
2. Looked after or previously looked after children.
A looked after child is a child who is in the care of a LA or provided accommodation by that authority – as defined in Section 22 of the Children Act 1989 or was previously looked after but ceased to be so because they were adopted.
3. Children who have brothers or sisters in the school at the time of admission.
Brothers and sisters are those living at the same address including step, adopted, foster children and unrelated children living together as one household.
4. Where a member of staff has been employed within the MAT for two or more years at the time at which the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable shortage.
5. Other children: Giving priority to those living closest to the school measured by the shortest distance in a straight line using GIS mapping system operated by the LA to measure the distance. The straight-line measure will be taken between the centre of the pupil's home address and the main entrance at Key Stage 1 to the school building. Where the distance is the same for more than one child a random allocation tie-breaker will be applied. The tie-breaker will be the drawing of lots supervised by a person independent of the school.

When a child lives at more than one address (eg. spends part of each week at different addresses) the home address will be decided by using the child benefit address or GP records.

Priority will be given to: -

1. Children who are in Public Care. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989 and 'previously looked after children' (which extends to children who have been adopted or have become subject to a child arrangements order. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special

guardianship orders) immediately following having been looked after. Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. Children who have physical and/or medical needs living within the ecclesiastical parishes of Grasmere and Rydal, (hereafter the catchment area, a map is supplied together this policy and is available from the school office on request), who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional stating that it was impossible to have their physical needs met by attending another local school would be required for the Governors to consider admission in this category.
3. Children living within the catchment area, having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children. Children living within the catchment having a brother or sister attending the school's nursery.
4. The children of parents/carers who are resident within the catchment area or who can give proof that they will be moving into the area prior to beginning at the school. (Parents will be required to provide proof that residence has been established, the purchase of a house, a tenancy agreement or a letter from their employer giving title the accommodation within the catchment area).
5. Children whose parents attend at least twice a month a church in membership of Churches Together in Grasmere & Rydal, (who are affiliated to Churches Together in Cumbria and through them to Churches Together in Britain & Ireland).
6. The children of parents/carers who are resident outside the catchment area, on the basis of distance of the child's ordinary place of residence to the school building giving places to those who live closest. (The distance will be measured from the child's front door to the main entrance of the school using the shortest route).

The criteria outlined above will be strictly followed there being one exception. If a child has a Education, Health and Care Plan naming Grasmere Church of England Aided Primary School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break

In some categories, where there are more applicants than places available, age will act as a determining factor but unless specified it will be distance. The distance is measured from the child's home front door to the main entrance door of the school. The distance is determined by the shortest walking route by road. The Governors will use the Local Authority measuring system to ensure consistency of measurement. The closest addresses will have priority.

Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school who were directed to that school by the LA either (a) in the absence of a place being available in the catchment area school due to oversubscription and the school was identified by the LA as the next nearest with a place available or (b) in their Statement of Special Educational Need - see notes 2 and 3 overleaf.
4. Other children living in the catchment area giving priority to those living closest to the school, measured by the shortest walking route by road - see note 4 overleaf.
5. Children living outside the catchment area who have brothers or sisters in the school at the time of their admission for reception entry- see note 2 overleaf.
6. Children living outside the catchment area, giving priority to those who live closest to the school, measured by the shortest walking route by road - see note 4 overleaf.

Applications will be prioritised on the above basis. An exception will be made under the Authority's policy for the education of children with special needs (i) where a child holds a Statement of Special Educational Needs/ Education, Health and Care Plan, or (ii) is currently undergoing a statutory assessment, and in either case it is considered that attendance at a particular school is necessary to meet the identified needs of that child.

Note 1

A child looked after is a child in public care, who is looked after by a local authority within the meaning of Section 22 of the Children Act 1989. Children previously looked after are children who were looked after, but have ceased to be so because they were adopted (under the terms of the Adoption and Children Act 2002) or became subject to a child arrangements order, or a special guardianship order).

Note 2

In criteria 2, 3 and 5, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and includes step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school (excluding a nursery class) at the time of admission.

Note 3

If parent or carers believe they qualify for consideration under criterion 3, they should indicate this on their preference form in the place provided for this purpose. In relation to a child with a Statement of Special Educational Need/Education, Health and Care Plan, the Statement must state that the child is directed by the Local Authority to attend a particular school which is necessary to meet his or her identified needs. It does not include those situations where the Statement indicates that the Local Authority considers a mainstream school of parental or carer preference to be appropriate.

Note 4

Distance measurements will be undertaken using the Local Authority's computerised Geographical Information System (GIS). This measures the route from the centre of the pupil's home to the nearest entrance on the school site which is available to pupils at the time of undertaking the assessment. The route used will be the shortest walking route by road as identified by GIS at that time.

September 2018 Admissions Policy

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

1. Children who are in Public Care or who have been adopted but were formerly in Public Care. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989.
2. Children who have physical and/or medical needs who would be disadvantaged by traveling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
3. Children living within the catchment area who have siblings in the school at the time of their proposed admission.
4. Children living within the catchment area who have attended the associated nursery (Ivegill Nursery) prior to their proposed admission.

5. Children living within the catchment area who, with a parent, attend a Christian church. *
6. Children living within the catchment area.
7. Children living outside the catchment area who have siblings in the school at the time of their proposed admission.
8. Children living outside the catchment area who have attended the associated nursery (Ivegill Nursery) prior to their proposed admission.
9. Children living outside the catchment area, who, with a parent, attend a Christian church. *
10. Children living outside the catchment area.

Siblings

Siblings are those living at the same address including step, adopted and foster children.

*Faith Criteria

The Diocesan Board of Education define attendance at a Christian Church as follows: Children who, with a parent, attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.

However the Governors of Ivegill School would like to assure prospective parents that they see the work of the school as a major contribution to the life of the whole community, they would have it understood that all children within the community should feel welcome to apply, and that all parents/carers (of whatever religion or faith) should feel that their children will receive full care and attention. The school has a Christian ethos and collective worship in school is based on the teachings of the Church of England.

Tie Break

In each category priority will be given those who live closest.

The distance is measured from the child's home front door to the main entrance gate of the school. The distance is determined by the shortest walking route by road. The Governors will use the Local Authority measuring system to ensure consistency of measurement.

September 2018 Admissions Policy

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

1. Children who are looked after, or were previously looked after by a Local Authority within the meaning of section 22 of the Children's Action 1989. This provision extends to children who have been adopted or have become subject to a child arrangements order or special guardianship order.
2. Children who have physical and/or medical needs who would be disadvantaged by travelling to another school, for example, difficulty in completing the journey to school, need to maintain the company of peers, need to use a specially adapted vehicle for the journey. Each case will be treated on its merits and full information should be provided with the application in a supplementary note. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.

3. Children living within the catchment area having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
4. Children living within the catchment area who, with a parent, attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.
5. Children living within the catchment area who, with a parent, worship in a non-Christian faith which is in membership of the U.K. Interfaith Network. The Governors will seek confirmation that the parent meets the normal religious obligations of the faith.
6. Children living within the catchment area. The catchment area is defined as the parishes of Lazonby and Great Salkeld in the District of Eden. A map of the catchment area is available for inspection at the school.
7. Children living outside the catchment area having brothers and sisters attending our School at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
8. Children living outside the catchment area who, with a parent, attend on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.

The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Special Educational Needs or Education, Health and Care Plan naming Lazonby Church of England School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break

In some categories, where there are more applicants than places available, age will act as a determining factor but unless specified it will be distance. The distance is measured from the centre of the child's home address to the main entrance door of the school. The distance is determined by the shortest walking route by road. The Governors will use the Local Authority measuring system to ensure consistency of measurement. The closest addresses will have priority.

September 2018 Admissions Policy

Should the School receive more applications than there are places available, the applications will be prioritised using the over-subscription criteria and relevant notes set out below:

1. Children looked after and previously looked after. (See note 3.)
2. Children who have very strong social or medical grounds for admission, confirmed in writing by a social worker or doctor.
3. Children living in the catchment area served by the School who have a brother or sister in School at the time of their admission, giving priority, if necessary, to those children with the youngest siblings. A map of the catchment area is available from the Local Authority. (See note 4.)
4. Children living within the catchment area who, with a parent, attend at least twice a month a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date. (See note 5.)
5. Children living within the catchment area who, with a parent, worship in a non-Christian faith which is in membership of the UK Interfaith Network. (See note 5.)
6. Children whose home address is in the catchment area.
7. Children living outside the catchment area who have a brother or sister in School at the time of admission, giving priority, if necessary, to those children with the youngest siblings. A map of the catchment area is available from the Local Authority. (See note 4.)
8. Children living outside the catchment area who, with a parent, attend at least twice a month a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date. (See note 5.)
9. Children living outside the catchment area who, with a parent, worship in a non-Christian faith which is in membership of the UK Interfaith Network. (See note 5.)
10. Children living outside the catchment area.

If it is necessary to prioritise within any of the above criteria, the home to School distance tie-breaker in note 6 will be used.

Note 1

If a child has a Statement of Special Educational Needs and/or an Education, Health and Care Plan naming Leven Valley Primary School, the Governing Body is required by statute to admit the child regardless of the over-subscription criteria.

Note 2

Paragraph 2.18 of the School Admissions Code requires that, for primary school age children of families of UK service personnel with a confirmed posting to Leven Valley Primary School's catchment area or of Crown servants returning from overseas to live in this area, the Governing Body must allocate a School place in advance of their move, provided that the application is accompanied by an official letter declaring a relocation date and unit address or quartering address.

Note 3

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this policy means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Note 4

Brothers and sisters are those living at the same address and include step, adopted and foster children.

Note 5

Parents who wish their application to be considered according to the faith criteria must fill in a supplementary form which is available from the School Office on request.

Note 6

The distance is that measured from the child's home front door to the main entrance door of the School. The distance is determined by the shortest walking route by road. The Governing Body will use the Local Authority School Admissions Department's measuring system to ensure consistency of measurement. The closest addresses will have priority.

September 2018 Admissions Policy

Places will be offered firstly to Looked After Children i.e. children who are looked after by a public authority and are in public care, and previously looked after children who were adopted, or subject to a residence order, or special guardianship order, immediately following having been looked after.

Children with Statements of Special Educational Needs SEN or Education Health Care (EHC) Plan naming the school will also be admitted.

In the event of over-subscription, the following criteria will apply: -

- where the child lives in the school's catchment area, as defined by the catchment area map, and have a brother or sister (sibling) attending the school at the time of application;
- applications from within the school's catchment area;
- where a child lives outside the catchment area and has a brother or sister in the school;
- where a child attends Longtown Primary School nursery;
- children of staff members working at a Trust school;
- children from outside the catchment area.

In the event of oversubscription in any category above, priority will be determined by the proximity of the child's home to Longtown Primary School using the shortest walking distance by road from the main entrance of Longtown Primary School to the main door of the residence, with those living nearest being given priority. The child's home address is defined as the child's permanent residence. In situations where a child spends equal time between two addresses, the permanent address is defined as the address at which the child is registered with a GP.

(The distance would be determined by using a distance measuring tool - AA route planner will be used by William Howard Trust).

September 2018 Admissions Policy

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

1. Children who are in Public Care

a. "Looked After Children"

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

b. Previously "Looked After Children". This includes children who have been adopted or have become subject to a residence or special guardianship.

(Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. Children who have physical and/or medical needs who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
3. Children living within the catchment area having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
4. Children living within the catchment area who with a parent attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.
5. Children living within the catchment area who with a parent worship in a non-Christian faith which is in membership of the U.K. Interfaith Network. The Governors will seek confirmation that the parent meets the normal religious obligations of the faith.
6. Children living within the catchment area.
7. Children who have attended Nursery on our site, for at least one full term.
8. Children living outside the catchment area having brothers and sisters attending our School at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
9. Children living outside the catchment area who with a parent attend on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.

10. Children living outside the catchment area who with a parent worship in a non-Christian faith which is in membership of the U.K. Interfaith Network. The Governors will seek confirmation that the parent meets the normal religious obligations of the faith.
11. Children living outside the catchment area.

The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Special Educational Needs and/or Education, Health and Care Plan, naming Orton Church of England Aided School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break

In some categories, where there are more applicants than places available, age may act as a determining factor but unless specified it will be distance. The distance is measured from the child's home front door to the main pedestrian entrance gate of the school. The distance is determined by the shortest walking route by road. The Governors will use the Local Authority measuring system to ensure consistency of measurement. The closest addresses will have priority.

Oughterside Primary School

September 2018 Admissions Policy

In the event of there being more applicants than places, children will be admitted on the basis of the following order of priorities:

1. Any child "looked after" or previously "looked after" (i.e. in public care) giving priority, if necessary, to the youngest child.
2. Children from within the catchment area who have siblings' in the school at the time of their admission.
3. Children from outside the catchment area who have siblings in the school at the time of their admission, giving priority to those with the youngest siblings.
4. Children from outside the catchment area who have siblings in the school at the time of their admission who were directed by the LA in the absence of a place being available in their catchment school.
5. Children from within the catchment area with exceptional social, medical or educational needs.
6. Other children from within the catchment area, giving priority to those for whom access to an alternative school is the most problematic.
7. Children from outside the catchment area with exceptional social, medical or educational needs.
7. Children from outside the catchment area, giving priority to those who live closest to the school, measured in a straight line on the map.

Notes

1. The LA suggests including step children and foster children living with the same family at the same address.
2. If parents feel they qualify under this criterion, they should be prepared to provide evidence.
3. If parents feel there is exceptional social, medical or educational need they must provide full details at the time of application. We would be justified in seeking verification from medical, social work or EWO reports. Priority can only be given on these grounds if we are satisfied that the child's needs can only be met at Oughterside.
4. The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Special Educational Needs or Education, Health and Care Plan naming Oughterside School, then irrespective of the criteria, the child will be admitted. In these circumstances the Governors have a statutory duty to admit the child concerned.

September 2018 Admissions Policy

All preferences listed on the Local Authority Preference Form will be considered on an equal basis with the following set of admissions criteria forming a priority order where there are more applications for admissions than the school has places available.

1. Baptised Catholic Looked After Children (or previously Looked after Children) or subject to a Child Arrangements Order. (See note b)
2. Baptised Catholic children who have a sibling in the school at the time of admission.
3. Baptised Catholic children resident in the parish(es) of St Mary of Furness and Our Lady of the Rosary and St Margaret of Scotland.
4. Baptised Catholic children from other parishes.
5. Non Catholic Looked After Children and previously Looked After Children. (See note b)
6. Non Catholic children who have a sibling in the school at the time of admission.
7. Other children.

All children whose statement of special educational needs (SEN) or a Educational Healthcare Plan names the school must be admitted and would take preference in any of the above categories.

Notes

- a) All applicants will be considered at the same time and after the closing date for admissions which is 15th January 2018.
- b) A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989). A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
- c) For a child to be considered as a Catholic evidence of a Catholic Baptism will be required.
- d) It is the duty of governors to comply with regulations on class size limits at Key Stage One.
- e) If in any category there are more applications than places available, priority will be given on the basis of distance from home to school. Distance will be measured in a straight line from the front door of the child's home address (including the community entrance to flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living nearer to the school having priority. In the event of distances being the same for 2 or more applicants where this distance would be last place/s to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.
- f) Where a child lives with parents with shared responsibility, each for part of a week, the child's "permanent place of residence" will be determined as the address of the parent who normally has responsibility for the majority of school days in a week.
- g) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
- h) A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. Parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the Autumn Term.
- i) For 'In Year' applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. If there are places available but more applicants than places then the published oversubscription criteria will be applied. '
- j) If an application for admission has been turned down by the Governing Body, parents can appeal to an Independent Appeals Panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the Appeals Panel is binding on the Governors.
- k) Parents can request that the date their child, if below compulsory school age, is admitted to school is deferred to later in the school year or until the term when they reach compulsory school age.
- l) The Governing Body reserve the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.

6. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school.
7. Children living outside the catchment area, giving priority to those who live closest to the school, measured by a straight line between the centre of the pupil's home address and the school's front entrance.

Note 1

A child looked after is a child in public care, who is looked after by a local authority within the meaning of Section 22 of the Children Act 1989. Children previously looked after are children who were looked after but have ceased to be so because they were adopted (under the terms of the Adoption and Children Act 2002) or became subject to a Child Arrangements Order or Special Guardianship Order (Children Act 1989) immediately following having been looked after.

Note 2

In criteria 4, and 6, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and include step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school [excluding a nursery class] at the time of admission.

Note 3

In criteria 5 and 7, applications will be prioritised using the distance measurement methodology set out at Note 4 below, with those living closest to the school measured by the shortest route by road given priority.

Note 4

Distance measurements will be undertaken using the Local Authority's computerised Geographical Information System [GIS]. This measures a straight-line measure between the centre of the pupil's home address and the main entrance to the school building as determined by the LA in conjunction with the Headteacher at the time the determination was made.

September 2018 Admissions Policy

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

- order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

 7. Children living within the catchment area.
 8. Children living outside the catchment area having brothers or sisters attending our School at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Attendance may be at more than one church but should be for at least two years prior to the application date.

 12. Children living outside the catchment area. A map of the catchment area can be requested from the school office.

The criteria outlined above will be strictly followed there being one exception. Tie Break

In some categories, where there are more applicants than places available, age will act as a determining factor but unless specified it will be distance. 1. Looked After Children and previously Looked After Children.
2. Baptised Catholic children who have a sibling in the school at the time of admission.
3. Baptised Catholic children resident in the parish(es) of Our Lady of Furness Parish.

A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989). A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, a child arrangements or special guardianship order.

For a child to be considered as a Catholic evidence of such Baptism will be required.

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal Registers of the Church in which the Rite of Reception took place.

The Governing Body will require written evidence in the form of a Certificate of Reception before applications for school places can be considered for categories of 'Baptised Catholics'. A Certificate of Reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception.

Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the (appropriate diocesan authority) will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

In the event that there are more applicants than places, the Academy Trust will allocate places using the following criteria, which are listed in order of priority:

1. Children looked after by a local authority and previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. Attendance at Seaton Academy Nursery.
3. Children resident within the Academy catchment area who have a brother or sister already in attendance at Seaton Academy at the time of admission.
4. Children resident within the Academy catchment area.

6. Children not resident in the Academy catchment area without a brother and sister already in attendance at Seaton Academy.

If applications cannot be separated by applying the above criteria, places will be prioritised by the proximity of the front door of the child's home to the Main Entrance of the Academy, measured by a straight line – using the LA GIS system, those nearest being awarded the highest priority.

Notes

- An exception may be made if a child has a Statement of Special Educational Needs or an Education, Health and Care Plan which names Seaton Academy, as in these circumstances the Academy Trust would have a statutory duty to admit the child concerned.
- Attendance at the Nursery at Seaton Academy does not automatically guarantee a place in our Reception class, to be considered for a place application forms as detailed above must be completed.

4. Other children living in the catchment area giving priority to those living closest to the school measured by the shortest walking route by road from their home to the front entrance of the school. The Governors will use the Local Authority's School Admissions Department's measuring system to ensure consistency of measurement. The closest addresses will have priority.
5. Children living outside the catchment area who have brothers or sisters in the school at the time of their admission. (See note 2 below)
6. Children living outside the catchment area with a parent who worships regularly at a church in membership of Churches Together in Britain or the Evangelical Alliance (See note 3 below)
7. Children living outside the catchment area giving priority to those living closest to the school measured by the shortest walking route from their home to the front entrance of the school. The Governors will use the Local Authority's GIS measuring system to ensure consistency of measurement. The closest addresses will have priority.

Note 1

Looked after and previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children's Act 2002. Child arrangements orders are defined in the Children Act 1989, as amended by the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. The Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Note 2

If it is necessary to prioritise in categories 2 or 5, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and includes step, adopted and foster children.

Note 3

If it is necessary to prioritise in categories 3 or 6 the measurement criteria in categories 4 and 7 respectively will be used. To be considered under category 3 or 6 parents must complete the supplementary form attached at the end of this document (attendance twice a month for two years would be deemed as regular)

Applications will be prioritised under the above criteria. An exception will be made if a child has a statement of special educational need or an Education, Health and Care Plan naming St Herbert's CE Primary & Nursery School, as in these circumstances the Governing Body would have a statutory duty to admit the child concerned.

In such circumstances the Governing Body has a statutory duty to admit the child concerned.

Tie Break

Where there are more applicants than places available in any category (where age is not considered) then distance between home and school will act as a determining factor. Age is only used as a tie-breaker in the sibling categories (3 and 6 above). The distance is measured from the centre of the child's home to the main entrance door of the school. The distance is determined by the shortest walking route by road. The Governing Body will use the Local Authority School Admissions Department measuring system to ensure consistency of measurement. Tie Break

In some categories, where there are more applicants than places available, age will act as a determining factor but unless specified it will be distance. Distance measurements will be undertaken using the Local Authority's computerised Geographical Information System (GIS). This measures the route from the centre of the pupil's home to the nearest entrance on the school site which is available to pupils at the time of undertaking the assessment. The route used will be the shortest walking route by road as identified by GIS at that time. Priority will be given to those with the shortest distance to school.

- b) A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989). - e) If in any category there are more applications than places available, priority will be given on the basis of distance from home to school. Distance will be measured in a straight line from the front door of the child's home address (including the community entrance to flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living nearer to the school having priority. All the names will be entered into a hat and the required number of names will be drawn out.

- g) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
- h) A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. Parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the Autumn Term.
- i) For 'In Year' applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. If there are places available but more applicants than places then the published oversubscription criteria will be applied.
- j) If an application for admission has been turned down by the Governing Body, parents can appeal to an Independent Appeals Panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the Appeals Panel is binding on the Governors.
- k) Parents can request that the date their child, if below compulsory school age, is admitted to school is deferred to later in the school year or until the term when they reach compulsory school age.
- l) The Governing Body reserve the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989) at the time of making an application to a school.

1. Looked after Children and previously looked after Children. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

In the event that there are more applications than places, the Academy Trust will allocate places using the following criteria, which are listed in order of priority:

Notes

- An exception will be made if a child has a statement of Special Educational Needs or Education, Health and Care Plan which names Stramongate School, as in these circumstances the Academy Trust would have a statutory duty to admit the children concerned.

September 2018 Admissions Policy

Where there are more applications than places available at Tebay Primary School, applications will be prioritised using the criteria below. They will be applied in conjunction with explanatory notes 1-5, which form part of this policy.

1. Children looked after i.e. in public care, giving priority, if necessary to the youngest child(ren) and children who were previously looked after – see note 1 overleaf.
2. Children living in the catchment area who have brothers and sisters in the school at the time of admission see notes 2 and 3 overleaf.
3. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school who
 - a) have a statement of special educational need, or children who have an Educational Health Care Plan that names that school or b) were directed to the school by the LA in the absence of a place being available in the catchment area school due to oversubscription and the school was identified by the LA as the next nearest with a place available.
4. Children living in the catchment area who are attending Tebay Primary School Pre-school Nursery at the closing date for applications for a school place.

5. Children of staff employed by Tebay Primary School, where the member of staff has been employed at the school for two years or more years at the time at which the application for admission to the school is made and the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. Other children living in the catchment area giving priority to those living closest to the school, measured by the shortest walking route by road – see note 5 overleaf.
7. Children living outside the catchment area who have brothers or sisters in the school at the time of their admission – see notes 2 and 3 overleaf.
8. Children living outside the catchment area who are attending Tebay Primary School Pre-school Nursery at the closing date for applications for a school place.
9. Children living outside the catchment area, giving priority to those who live closest to the school, measured by the shortest walking route by road – see note 5 overleaf.

Note 1

A child looked after is a child in public care, who is looked after by the local authority within the meaning of Section 22 of the Children Act 1989. Children previously looked after are children who were looked after but have ceased to be so because they were adopted (under the terms of the Adoption and Children Act 2002) or became subject to a residence Order or Special Guardianship Order (Children Act 1989) immediately following having been looked after.

Note 2

In criteria 3, 5 and 7, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and include step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school (excluding nursery class) at the time of admission.

Note 3

Where reference is made to associated infant and junior schools this is to describe those situations where infant and junior schools share the same catchment area.

Note 4

If parents or carers believe they qualify for consideration under criteria 5, they should indicate this on their preference form in the place provided for this purpose. In criteria 6, applications will be prioritised using the distance measurement methodology set out at Note 5 below, with those living closest to the school measured by the shortest walking route by road given priority.

Note 5

Distance measurements will be undertaken using the Local Authority's computerised Geographical Information System (GIS). This measures the route from the centre of the pupil's home to the nearest entrance on the school site, which is available to pupils at the time of undertaking the assessment. The route used will be the shortest walking route by road as identified by GIS at that time.

Applications will be prioritised on the above basis. An exception will be made under the Authority's policy for the education of children with special needs (i) where a child holds a Statement of Special Educational Needs or Educational Health Care Plan, or (ii) is currently undergoing a statutory assessment, and in either case it is considered that attendance at a particular school is necessary to meet the identified needs if that child.

Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school (excluding a nursery class) at the time of admission.

Note 3

Where reference is made to associated infant and junior schools this is to describe those situations where infant and junior schools share the same catchment area.

Note 4

If parents or carers believe they qualify for consideration under criterion 5, they should indicate this on their preference form in the place provided for this purpose.

In criteria 6, applications will be prioritised using the distance measurement methodology set out at Note 5 below, with those living closest to the school measured by the shortest route by road given priority.

Note 5

Distance measurements will be undertaken using child(ren)'s home addresses and calculating the distance to school by using multimap (bing) and selecting the walking logo to measure the distance to the school site, Yanwath Primary School, Yanwath, CA10 2LA.

Applications will be prioritised on the above basis. An exception will be made under the Authority's policy for the education of children with special needs (i) where a child holds a Statement of Special Educational Needs or Educational Health Care Plan, or (ii) is currently undergoing a statutory assessment, and in either case it is considered that attendance at a particular school is necessary to meet the identified needs of that child.

2. Children of staff employed by Yarlside Academy, on a permanent contract of 0.6 FTE or above for two or more years, at the time when their application for a school place is made.
3. Children living in the catchment area who have brothers or sisters in the school at the time of admission. See note 2.
4. Children living in the catchment area giving priority to those living closest to the school, measured by a straight line between the centre of the pupil's home address and the school's front entrance - see note 4.
5. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school.
6. Children living outside the catchment area, giving priority to those who live closest to the school, measured by a straight line between the centre of the pupil's home address and the school's front entrance.

Note 1

A child looked after is a child in public care, who is looked after by a local authority within the meaning of Section 22 of the Children Act 1989. Children previously looked after are children who were looked after but have ceased to be so because they were adopted (under the terms of the Adoption and Children Act 2002) or became subject to a subject to a Child Arrangements Order or Special Guardianship Order (Children Act 1989) immediately following having been looked after.

Note 2

In criteria 3 priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and include step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school (excluding a nursery class) at the time of admission.

Note 3

In criteria 4 and 6, applications will be prioritised using the distance measurement methodology set out at Note 5 below.

Note 4

In criteria 5, priority will be given to those with the youngest siblings (Note 2) unless applicants have siblings which are in the same year group, then priority will be prioritised using the distance measurement methodology set out at Note 5 below.

Note 5

Distance measurements will be undertaken using Digimaps a computerised measurement system. This measures a straight-line between the centre of the pupil's home address and the main entrance to the school building as determined by the Headteacher at the time the determination was made.

Applications will be prioritised on the above basis. An exception will be made under the Authority's policy for the education of children with special needs (i) where a child holds an Education, Health and Care Plan (EHCP) or (ii) is currently undergoing a statutory assessment, and in either case it is considered that attendance at a particular school is necessary to meet the identified needs of that child.

September 2018 Admissions Policy

Places will be offered firstly to Looked After Children i.e. children who are looked after by a public authority and are in public care, and previously looked after children who were adopted, or subject to a residence order, or special guardianship order, immediately following having been looked after.

Children with Statements of Special Educational Needs SEN or Education Health Care (EHC) Plan naming the school will also be admitted.

In the event of over-subscription the following criteria will apply: -

1. where the child lives in the school's catchment area, as defined by the catchment area map, and have a brother or sister (sibling) attending the school at the time of application;
2. applications from within the school's catchment area;
3. where a child lives outside the catchment area and has a brother or sister in the school;
4. where a child attends a Yewdale Nursery;
5. children of staff members working at a Trust school;
6. children from outside the catchment area.

In the event of oversubscription in any category above, priority will be determined by the proximity of the child's home to Yewdale Primary School using the shortest walking distance by road from the main entrance of Yewdale Primary School to the main door of the residence, with those living nearest being given priority. The child's home address is defined as the child's permanent residence. In situations where a child spends equal time between two addresses, the permanent address is defined as the address at which the child is registered with a GP.

(The distance would be determined by using a distance measuring tool - AA route planner will be used by William Howard Trust).

Further help and advice

Help with Statements of Special Educational Need or Education, Health and Care Plan (EHCP)

If your child has a Statement of Special Educational Need/EHCP, you should complete the application form (SA1) in the usual way.

Most children with a statement/EHCP can, with appropriate support, have their needs met in any local school

Occasionally, a child's needs are such that they can only be met at a particular school. This may, for example, be a school which has been adapted to cater for children with mobility problems. In these circumstances it is the Local Authority's responsibility to offer your child a place in a school that is best able to meet their needs. This school will be named in your child's statement/EHCP and your child would be given priority when allocating places.

If you need further information about the school named in your child's statement/EHCP you can contact the Special Educational Needs and Disability Team on one of the following numbers:

Home to school transport – 2018/2019

Local authorities must provide free home to school transport for pupils of compulsory school age who attend the nearest suitable school (In Cumbria – this means the “catchment” or nearest suitable school) and meet the following requirements:

- Who live beyond the statutory walking distance.
- Where the pupil has mobility problems and is unable to walk to and from school.
- Where the pupil cannot be expected to walk because of the nature of the route.
- For some pupils from low income families (defined as those families whose children are in receipt of free school meals or the parents/carers on the maximum level of Working Tax Credit).

The statutory walking distance is defined as two miles for a child under the age of eight years and three miles for children aged eight and over. This distance is measured along the shortest available route along which a child, accompanied by an adult if necessary, may walk in reasonable safety.

For those families whose children are of compulsory school age and are in receipt of free school meals or the parents/carers on the maximum level of Working Tax Credit free home to school transport must be provided as follows:

- For primary age pupils aged between eight and ten years – they are eligible for free transport to enable them to attend the nearest suitable school where this is more than two miles from their home.

- Secondary age pupils aged eleven to sixteen are eligible for free transport as follows:
 - to one from the three nearest schools all of which must be more than 2 miles but not more than 6 miles from their home;
 - are attending their nearest faith school preferred by parents on the basis of religion and which is greater than 2 miles but not more than 15 miles from their home.

The legislation also requires local authorities to have regard to any wish of a parent/carer to have their child educated at a particular school where that wish is based on the parent's/carer's religion or belief.

Unless any of the above conditions applies you should not expect to receive home to school transport for your child. If you wish to apply for home to school transport visit Cumbria County Council's website cumbria.gov.uk/schooltransport and apply online or download an application form. You can also ring one of the following numbers and ask for a paper copy of the home to school transport application form:

or by sending an email to integrated.transport@cumbria.gov.uk

Cumbria County Council operates an appeals process for all parents/carers who are refused home to school transport for their child. Further information about this appeals process is available on the Cumbria County Council's website.

Admission appeals

Who has the right of appeal?

Parents who are not offered a place at their preferred school or schools are given the right of appeal to a school admission appeals panel, the panel is completely independent of the Local Authority and the school who have no say over the panel's decisions. If this happens to you, we will send you a letter that will give you further information and will explain what to do next, including the deadline for appealing (if you want your appeal to be heard along with all of the other appeals for that school) and who to contact.

Who is responsible for setting up appeals?

Individual admission authorities are responsible for making arrangements for admission appeals. For community and voluntary controlled schools, this is the Local Authority. For foundation and voluntary aided schools, free schools and academies, it is the responsibility of the governing body or academy trust. Appeals must be arranged in line with statutory requirements. In all the cases the appeals panel is completely independent of the admissions authorities who have no say over the panel's decisions.

When will my appeal be heard?

Admission authorities must give anyone who wants to appeal at least 20 school days from the date of the notification that their application was unsuccessful to submit their appeal. Appeals against decisions made in the 'normal admissions round' must then be heard within 40 school days of the deadline for submitting appeals. For applications that were made by the closing date, admission authorities will usually try to ensure that the relevant independent appeals panel considers the appeal before the end of the summer term, but there are sometimes exceptions to this. Admission authorities are required to publish their appeals timetables on their websites by 28 February each year.

Who sits on an appeals panel?

Independent admission appeal panel members are trained volunteers who are completely independent of the admission authority. The admission authority has no say over their decisions. At least one of the three panel members will have a background in education. They have the services of a clerk, who provides legal advice and takes notes at the hearing. Parents can choose to attend the hearing, or have the hearing heard in their absence if for any reason they are unable to attend.

Are there different types of appeal?

There are 2 different types of appeals for children starting school in Reception:

- Infant class size appeals; and
- Non infant class size appeals.

Infant class size appeals

You can find more information on the infant class size limit on page 12 of this booklet. You will be told if you are being refused admission on infant class size grounds. This means that an appeal panel's power to intervene is limited. The panel can only allow an appeal in very specific circumstances:

- Where it finds that the admission of additional children would not breach the infant class size limit; or
- Where it finds that admissions arrangements were not legal or were not correctly applied, and the child would have been offered a place if they had been; or
- Where it decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Should I appeal if my refusal was on infant class size grounds?

The threshold for finding that an admission authority's decision to refuse admission was not reasonable is high. The decision would need to have been 'perverse' or 'outrageous'. Applicants should therefore give careful consideration as to whether or not they should appeal if they have been refused on infant class size grounds.

Non-infant class size appeals

At the appeal hearing, the panel will hear information from the admission authority about why the application was refused – and then need to make a decision as to whether or not the admissions arrangements were legal and correctly applied and whether or not the school would be 'prejudiced' (i.e. disadvantaged) by the admission of another child.

If the panel does decide that the arrangements were legal and applied correctly, and that the school would be prejudiced by the admission of another child, they then hear the case of the parents. They will ask questions of the parents to try to get all the information they need to make a decision as to who would suffer the greater prejudice – the school if the child were admitted, or the child and family if they were not. This is a balancing exercise – the panels look at a wide range of factors when making their decision. If they find that the disadvantage to the child and family would be greater than that of the school, then the appeal will be successful and the child will be admitted. The admission authority has no say over the panel's decisions.

How can I challenge, or complain about, an appeals panel's decision?

A decision of an appeal panel is binding on both the parents and the admission authority. If either side is unhappy with the decision of the panel and wants it overturned they can make an application to the High Court to judicially review the decision. The High Court will only consider such an application if the decision of the panel discloses an error of law.

If a parent is unhappy with the decision of an appeal panel, they may also complain the Local Government Ombudsman (LGO) in respect of community, voluntary controlled, foundation or voluntary aided schools. The LGO has the power to investigate alleged or apparent maladministration in connection with an appeal and can make recommendations to the local authority, including that the appeal is reheard.

In respect of academies and free schools parents can complain to the Education Funding Agency (EFA), instead of the LGO. If a school converts to an academy during the appeals process, the LGO is still able to investigate the complaint.
